

LANDING PAGE PORTFOLIO

Virtuse **Bitcoin-Only** Web Platform Preview

Three landing pages designed for the Virtuse Hub —
showcasing referral partners across Buy, Mine, and Secure
categories

Platform Overview

1. Home / Hub

The central gateway page positioning Virtuse as the global hub for Bitcoin-only services. Features the orbiting partner diagram, stats row, and trust badges.

1 Page

2. Buy Bitcoin

MiCA-licensed CASP referral page featuring Relai, 21bitcoin, Bitpanda, and Coinbase. Four-step how-it-works flow with partner cards.

4 Partners

3. Mining

Bitcoin mining hosting referral page with OneMiners, NiceHash, Abundant Mines, Bitkern, and Power Mining. Three-column card grid.

5 Partners

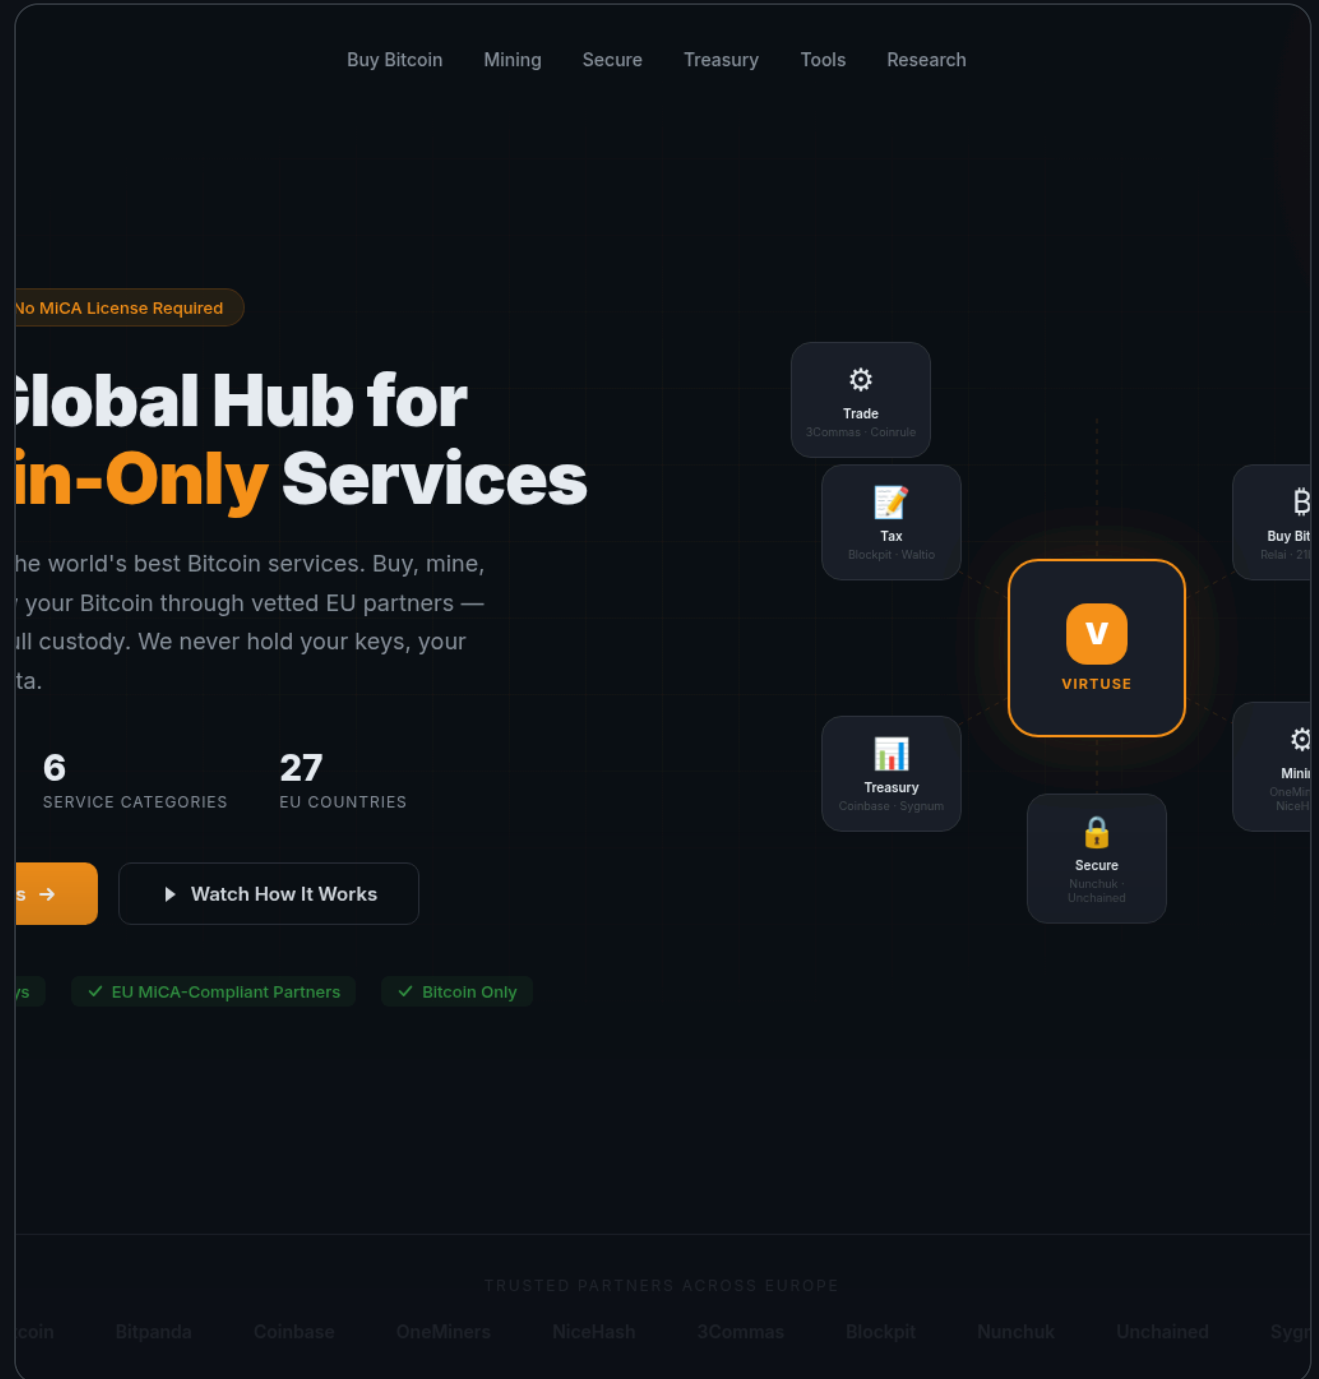

PAGE	PARTNERS	REVENUE MODEL	EST. Y1 REVENUE

Buy Bitcoin Through MiCA-Licensed Partners

Referral page for MiCA-licensed CASPs. Users choose a partner, click to their platform, complete KYC there, and buy Bitcoin with self-custody. Four-step how-it-works flow.

- ✓ Relai — First Bitcoin-only MiCA CASP (TOP PICK)
- ✓ 21bitcoin — Austria FMA licensed, 0.79% fees
- ✓ Bitpanda — 3 MiCA licenses, 4M+ users
- ✓ Coinbase — CSSF Luxembourg, 100M+ users
- ✓ Commission disclosure on every card

4 PARTNERS **4** STEPS **20-50%** REV SHARE

Referral & Affiliate Partnerships

Buy Bitcoin Through MiCA-Licensed Partners

We partner with fully licensed EU crypto-asset service providers (CASPs) to give you access to the best Bitcoin buying services in Europe. We never hold your funds or keys — your transactions are executed directly on regulated partner platforms. We earn a referral fee when you sign up, at no extra cost to you.

Our partners hold valid MiCA CASP licenses

Non-custodial referral model — Virtuse never touches your Bitcoin

HOW IT WORKS

1. Choose a Partner

Browse our vetted MiCA-licensed CASPs below. Compare fees, licenses, and jurisdictions.

2

2. Click to Platform

Your referral link takes you directly to the partner's site. Virtuse never intermediates.

3

3. Complete KYC There

All identity verification, onboarding, and compliance happen on the licensed CASP's platform.

4

4. Buy & Self-Custody

Purchase Bitcoin and withdraw it to your own wallet. You control your keys at all times.

Our MiCA-CASP Partners

Bitcoin-only or Bitcoin-friendly platforms, fully licensed under EU MiCA regulation

✓ 4 Licensed Partners

Start Mining Bitcoin Through European Hosts
