3.2 Sygnum (Switzerland)

3.3 BitGo (Germany)

4. Tax Reporting Partners

4.1 Blockpit (Austria)

4.2 Waltio (France)

4.3 Divly (Sweden)

5. Implementation Roadmap

1. Mining Hosting Partners

Regulatory Note

Mining hosting is **NOT a MiCA-regulated activity**. Mining companies operate under general business and energy regulations, not as CASPs. This makes them ideal non-regulated referral partners for Virtuse.

OneMiners TOP PICK CZECH REPUBLIC

Formerly PcPraha.com | Top 5 EU ASIC reseller | 10,889 referred users | \$732K paid out

Commission	Up to \$500 per order
Tier system	Karma tiers: Explorer (\$0-1K), Builder (\$1K-10K), Elite (\$10K-50K), Legend (\$50K+)
Hosting locations	Norway, Finland, Ethiopia From \$0.043/kWh
Why Virtuse	Czech/Slovak proximity; strongest EU affiliate program; proven payouts; retail-friendly
Action	Sign up for referral program at oneminers.com/partners

NiceHash SLOVENIA

Global hashpower marketplace | EU-based | No hardware purchase required

Commission	15% of mining fees paid in BTC
Program	NiceHash Partner Program — revenue share on referred miner fees
Model	Plug-and-play mining: users rent/buy hashpower, no ASIC ownership needed
Why Virtuse	Lowest barrier to entry for retail users; EU jurisdiction; BTC-denominated payouts
Action	Apply at nicehash.com/partners

Abundant Mines US/EU

Professionally managed mining infrastructure | Renewable energy focus

Commission	\$200 BTC per miner referred
Bonus	Referred customer gets 1 month free hosting
Focus	Bitcoin-only payouts; professionally managed; sustainable energy
Why Virtuse	Bitcoin-only positioning aligns with Virtuse; professional managed approach appeals to HNWIs
Action	Contact for partnership agreement

Bitkern EUROPE

85,000+ ASICs across 14+ locations | 24h deployment

Commission	Negotiate directly — no public affiliate program
Pricing	€0.045/kWh LITE tier; €0.055/kWh PRO tier
Scale	One of Europe's largest hosting operators
Why Virtuse	B2B referral opportunity for institutional-size clients; massive scale
Action	Contact sales@bitkern.com for introducer agreement

Power Mining DENMARK

EU warehouse | Open-source hardware (Bitaxe) | 22K+ products sold

Commission	Up to 10% per sale (via GoAffPro)
Focus	Open-source mining hardware (Bitaxe); consumer-friendly
Why Virtuse	Appeals to Bitcoin purists who want home mining; EU warehouse = fast shipping; unique open-source angle
Action	Join GoAffPro program at powermining.io

2. Multi-Sig Service Partners

Regulatory Note

Multi-sig software providers are **NOT MiCA-regulated**. MiCA Recital 83 explicitly excludes "hardware or software providers of non-custodial wallets" from its scope. These are software tools, not financial services.

Nunchuk TOP PICK GLOBAL

Bitcoin-only | No KYC | On-chain inheritance | Collaborative custody

Cost	Free app + \$480/year top plan
Affiliate	None formal — integrate as education partner
Architecture	User holds all keys; software coordinates PSBT signing only
Key feature	On-chain inheritance via timelocks — survives even if Nunchuk ceases operations
Why Virtuse	Bitcoin-only ethos matches perfectly; no KYC; most robust inheritance model; ideal for European self-custody education
Action	Integrate Nunchuk tutorials into Virtuse education content; consider co-marketing arrangement

Unchained Capital REFERRAL PROGRAM US

Collaborative custody + Bitcoin-backed lending | 2-of-3 multi-sig

Cost	\$250+/year; Signature program \$250 credit per referral
Commission	\$250 credit for referrer AND referred (Signature program)
Services	2-of-3 multi-sig, Bitcoin-backed lending, IRA/401k, inheritance
Limitation	US-only lending; serves global clients for custody
Why Virtuse	Only multi-sig provider with a real referral program; strong HNWI focus; educational resources
Action	Sign up for Signature referral program at unchained.com/signature

Casa US

Market leader in consumer multi-sig | Gold standard for self-custody

Cost	\$250+/year (no free tier)
Affiliate	No formal referral program found
Services	Multi-sig vaults, inheritance planning, node management, health checks
Limitation	Limited European presence; primarily US-focused
Why Virtuse	Strongest brand in multi-sig; good for credibility in educational content; benchmark for features
Action	Feature as "industry standard" in education; contact for partnership discussion

Onramp Business CORPORATE US

Purpose-built for corporate treasuries | Multi-institution custody

Cost	\$375/month (\$3,600/year) + \$500 setup
Architecture	Multi-sig across 4 independent institutions: Onramp/BitGo/CoinCover/Tetra Trust
Features	Proof of reserves, corporate governance controls, Lloyd's insurance
Why Virtuse	Only multi-sig service purpose-built for corporate treasuries; ideal for B2B referrals from Virtuse's corporate treasury education clients
Action	Contact for B2B referral/introducer agreement

3. Corporate Treasury Partners

Regulatory Note

These are **MiCA-licensed CASPs** that Virtuse refers corporate clients to. Virtuse provides education only — never discretionary management, custody, or execution. All regulated activity is handled by the licensed partner.

Coinbase Institutional TOP PICK LUXEMBOURG

MiCA CASP (CSSF) | Largest global crypto custodian | \$320M insurance

License	✓ MiCA CASP via CSSF Luxembourg — passported to all 27 EU states
Product	Coinbase Prime: custody + execution + algorithmic trading + financing
Insurance	\$320M cold storage coverage; SOC 2 Type II; 13+ years track record
Commission	Negotiate B2B introducer/ referral fee directly (not public)
Why Virtuse	Gold standard for institutional credibility; MiCA-licensed across full EU; white-glove corporate onboarding; purpose-built treasury FAQ
Action	Contact Coinbase Institutional partnerships team for introducer agreement

Sygnum BANK SWITZERLAND

FINMA banking license | Only regulated digital asset bank | CHF 4B+ AuA

License	✓ FINMA banking license (Switzerland); not MiCA but Swiss equivalence
Product	Sygnum Select: discretionary mandates for corporate treasuries (\$200M AuM)
Services	Active management, rebalancing, staking, hedging, yield generation
Commission	Negotiate B2B referral fee directly (not public)
Why Virtuse	Only regulated digital asset BANK (not just CASP); discretionary management for treasuries; Swiss banking prestige; unicorn valuation
Action	Contact Sygnum institutional sales for referral partnership

BitGo GERMANY

MiCA CASP (BaFin) | \$250M insurance | ETP-grade custody

License	✓ MiCA CASP via BaFin (Germany) BSI-regulated since 2019
Product	Institutional custody: cold storage, multi-sig, API integration
Insurance	\$250M coverage; SOC 2 Type II; 15+ years track record
Commission	Negotiate B2B referral/introducer fee directly
Why Virtue	Strongest API for integration; already 21bitcoin's custody partner; ETP-grade (serves Virtune, others); German regulatory credibility
Action	Contact BitGo EU partnerships for introducer agreement

4. Tax Reporting Partners

Regulatory Note

Tax reporting software is **NOT a MiCA-regulated activity**. These are pure information and analysis tools. No CASP license is required to build, operate, or refer tax software.

Blockpit TOP PICK AUSTRIA

Austrian (EU) | 700+ integrations | Official partner of Bitpanda & BISON

Price	€49+/year Free portfolio tracking tier
Affiliate	✅ Partnership program with exchanges (Bitpanda, BISON, Bybit EU) — negotiate similar deal
Countries	Germany, Austria, Switzerland, Italy, Spain, Netherlands, France
Features	700+ integrations; country-specific tax reports; real-time portfolio tracking; CPA-ready reports
Why Virtuse	Fastest-growing EU tax tool; strongest exchange partnerships; Austrian regulatory familiarity; proven partner model
Action	Contact partnerships@blockpit.io for affiliate/revenue-share agreement; target 10-15% discount for Virtuse users

Waltio FRANCE

4.7/5 rating | 600+ reviews | French tax forms | DeFi support

Price	€39+/year (Lite tier)
Affiliate	No formal program found — contact directly
Countries	France (primary); supports 30+ countries
Features	One-click tax report; French forms (2042, 2086, 3916-bis); 600+ reviews; DeFi/NFT support
Why Virtue	Best-in-class for French market; strongest brand recognition in France; 4.7/5 rating
Action	Contact for partnership/introducer arrangement

Divly PRIVACY SWEDEN

14-min import-to-report | No KYC | Privacy-focused | French forms

Price	€39/year (Essential); €99 Peace of Mind (expert review included)
Affiliate	No formal program found — contact directly
Countries	France, Scandinavia, 30+ countries
Features	14-min import to final report; no KYC required; French tax forms; €700 cheaper than Waltio for expert review
Why Virtue	Privacy-first ethos aligns with Bitcoin values; no KYC appeals to self-custody audience; competitive pricing
Action	Contact for partnership discussion

5. Implementation Roadmap

Phase	Timeline	Actions
Week 1	Immediate	Sign up for OneMiners, NiceHash, and Unchained referral programs. Create affiliate tracking dashboard.
Week 2	Immediate	Contact Blockpit (partnerships@blockpit.io) for affiliate/revenue-share agreement. Target 10-15% discount for Virtuse users.
Month 1	Short-term	Contact Coinbase Institutional and Sygnum for B2B introducer agreements. Prepare corporate treasury educational collateral.
Month 1	Short-term	Contact BitGo EU partnerships for custody referral agreement. Leverage existing 21bitcoin relationship.
Month 2	Short-term	Integrate Nunchuk multi-sig tutorials into Virtuse education content. Build "Self-Custody 101" video series.
Month 2	Short-term	Launch Bitcoin Tax Tool Comparison page on virtuse.com featuring Blockpit, Waltio, and Divly with affiliate links.
Month 3	Medium-term	Contact Bitkern and Power Mining for additional mining partnership coverage (EU-wide + open-source hardware).
Month 3	Medium-term	Launch dedicated Mining Hosting comparison page on virtuse.com with referral links to all partners.
Month 4-6	Medium-term	Develop premium "Sovereign Individual" toolkit: jurisdiction guides, privacy stacks, multi-sig setup service (education-only). B2B white-label research for family offices.

Key Metrics to Track

Referral revenue — Monthly affiliate income from all partners

Conversion rate — % of Virtuse users who click through to partner platforms

Partner NPS — User satisfaction with referred services

Average revenue per referral — By partner category (mining vs. multi-sig vs. treasury vs. tax)
